VRPCC STAFF

VRPCC VISION & MISSION

Vision

To impart qualitative and value-based commerce education for academic excellence.

Mission

To educate the commerce students in such a way that they can become knowledgeable, responsible, skilled, cultured, self-reliant, self-disciplined, adventurous, confident and competent human-beings who can render great services to the nation in general and the society in particular.

Our Cherished Goals:

- To provide opportunities to the students irrespective of caste, creed or religion for gaining knowledge so as to build their careers in the field of business and management.
- To promote commerce education keeping in view the need of the hour.
- To foster climate related to research and experiment in the areas of business and management.
- To encourage the youth for optimum participation in community welfare activities.
- To equip students with academic excellence so that they grow up into responsible assets of our society.
- To incorporate innovations on a continuous basis in the entire process of education at institutional level.
- To create platform for the students for exhibiting their talent and for the development of their potentials.
- To generate congenial learning environment for students as well as teachers.
- To instil a cutting edge knowledge of technology into the students to withstand and grow in the competitive environment at the global level.
- To encourage and promote research and development activities amongst students and faculties.
- To create an environment that is dedicated to inculcate in students the skill and values necessary to succeed in real life situation and make them responsible citizens.
- To enhance and promote excellence in teaching and learning.
- To promote the integration of pluralism within the college community.
- To create and sustain a technological environment that is supportive of academic and administrative needs.

Core Values:

We pursue the following core values for making our students good human-beings and creating good opportunities for their overall development.

- | | |
|------------------|-------------------------|
| ➤ Excellence | ➤ Social Responsibility |
| ➤ Accountability | ➤ Integrity |
| ➤ Diligence | ➤ Perseverance |
